## Chairman's Column

I hope that everyone has enjoyed a wonderful Thanksgiving weekend. After having shut down for the entire season in 2020, it is my pleasure to review our almost back to normal schedule of events for 2021.

We held our first events in May, starting with a technical session at Fatsco/Fisher Transmissions in Pinebrook, followed by our very successful Chapter Judging Meet at BGT Automotive in Rahway. Many thanks go to Butch Mazza for hosting us again this year. In July, we hosted over 50 Corvette owners and cars at the Woodbridge Community Center for our 2<sup>nd</sup> Corvettes and Coffee. The chapter then held our annual Chapter Picnic in September which included an interesting pre-judging of Arthur Green's red 1960. We enjoyed both the beautiful weather and Cimilluca's hospitality. Our October meeting at the Elks consisted of our annual officer elections plus a technical session on C3 brake calipers presented by Ed Dinapoli.

Yet to come in December is our annual Chapter Holiday Brunch on the 5<sup>th</sup> at KC Prime in Lawrenceville, including our Toys for Tots collection for under privileged children. Also, on Saturday the 11<sup>th</sup>, we are meeting for our final event of 2021 at BBC Speed & Machine in Linden.

We have completed our chapter office elections online and have re-elected our current slate of officers unanimously for 2021. Joe Klitsch, our Treasurer, is collecting 2021 chapter dues, so plan to bring them to one of our December events or send them to Joe by mail.

This is Joe Simon's last Chapter Newsletter, and I cannot thank him enough for his creativity and hard work both on publishing our newsletter and for his involvement with the Board in leading the chapter for the past several years.

The Board will be meeting in January to plan our 2022 calendar of events. It is important for all Board and chapter members to identify and submit meaningful project articles for the newsletter, as well as suggest interesting speakers for meetings, vendor visits and technical sessions. The chapter has arisen from a very challenging 2020, and I am looking forward to an expanded schedule of events and activities in the New Year

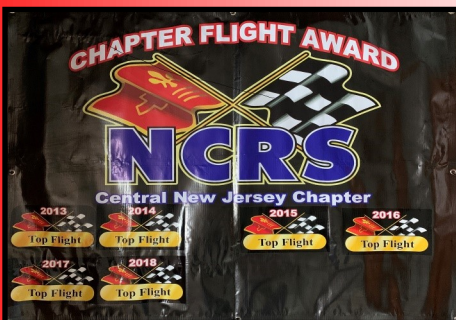

Enjoy the rest of the holiday season and have a safe and healthy 2022."

**Happy Holidays**

*Wishing all our members a festive and joyous Holiday season to you and your family. May all your Holiday wishes come true*

# THANK YOU FOR YOUR SERVICE GENE MORETTI

Our Chapter Treasurer , Joe Klitsch, did not attend the Chapter Picnic on Sunday September 18th because of an important event. Joe chauffeured his uncle in his C6 coupe in the John Basilone Memorial Parade in Raritan, NJ. Joe's uncle, Gene Moretti, is a 104 year old World War II veteran and a prior Grand Marshall of this Parade in 2014 and invited back each year to participate

We cordially invite all members to join us in welcoming  
in the Holiday Season at our  
**National Corvette Restorers Society**

**Our Chapter has once again committed to supporting the United States Marine Reserve  
"Toys for Tots" program. If you would like to participate in this charitable effort, we ask  
that you donate an unwrapped \$10 toy or book for either a boy or girl and bring it to the  
November meeting or the Holiday Brunch.**

**Giving to those less fortunate is a blessing we can all enjoy.**

# Long Island Corvette Supply Inc

The 63-67 Corvette Parts ONLY

---

## We are now Closed for business.

### announcement:

After nearly 40 years of manufacturing and providing quality restoration parts for 1963-1967 Corvette enthusiasts, Long Island Corvette Supply, Inc. of Copiague, NY has sold all available inventory to Zip Products of Mechanicsville, VA. The sale is effective August 31, 2021.

We know this transition will take some time, but you can be certain Zip Products will continue the tradition of providing high-quality Corvette parts for the most iconic Stingray Corvettes.

All inventory will be moved to Zip's Mechanicsville location. Please have patience during the transition.

## Judging Resources

To support the NCRS' purpose of educating individuals on the restoration and preservation of Corvettes, the chapter has established judging teams. The teams are responsible for coordinating two or more sessions a year where a member's Corvette is judged under the current NCRS guide lines. These judging sessions are intended to provide a hands-on small group format to learn more about the cars

## NCRS Rules & Regulations for Events in the COVID-19 Era May 2021

**EFFECTIVE IMMEDIATELY**, the National Corvette Restorers Society, Inc. (NCRS) will follow the mandates that are currently in place on that given day and at that given event location for all NCRS events as set forth by the United State Centers for Disease Control (CDC) or another branch of the US federal government, Public Health Agency of Canada, European Centre for Disease Prevention and Control, any host state and/or local government, and/or a private host facility.

The above-mentioned rules will be followed at all NCRS events until such time that it is determined that they are no longer needed.

### How to Get Published In CNJ Newsletter

You don't have to create a novel. An article for the CNJ Newsletter is all it takes.

Few subjects are taboo. A short paragraph for "Tech Tips" or a "Did you know?" blurb works great.

Have you found a great road to ride or have you discovered what not to do when working on your restoration? Feel free to send a small article about a small project or a large article about a large project or even a large article about a small project!

Pictures are always welcome with stories. If you haven't got the time or desire to write an article, send an outline. I'll write the story and send it to you for your review & blessing and you get the byline and the credit.

Remember, another CNJ member is facing an issue like you did and your help will be appreciated more than you can imagine.
